

Newsletter Spring 2018

Let's make a spring together in Hatton!

The sky became blue, sun shines brighter, the birds return from the far edges and build nests, and white and yellow daffodils blossom. Spring is coming to Hatton! After a long cold winter, when we were hiding from the cold in our cozy houses, after slippery and dirty roads, we can inhale fresh air and say "Finally! Spring!" Yes, nature every year regularly gives us all those lovely things that we so enjoy. But maybe it's time for people to participate in this, bring spring to Hatton? The fact is that nature cannot provide us with clean paths and with a kind and respectful attitude of people to each other. To provide these simple but very important things is our task!

It is very sad to see on the pavements, wrappers from chocolate bars, plastic bottles and glasses, cans from cola and from beer, sacks from nuts and other garbage. It is very unpleasant waiting for the bus at the stop, to hide from the cigarette smoke behind the wall of the shelter, because people inside the shelter ignore your right to clean air, and smoke under the sign with a crossed out cigarette. It is very vexing to inhale the pungent smell of smoke from burning garbage. Yes, everyone has the right to do on his personal property what he wants. But is someone entitled to poison the neighbours with acrid smoke? And maybe you need to show respect to neighbours who have asthma or clean clothes in the courtyard. Why not collect your dry branches, leaves, and plastic waste that periodically fall into such a fire, spend half an hour and take it all in the right place?

So, friends - let's help nature make life in Hatton beautiful and clean! Let's not ignore the fact that we all live side by side, let's respect the life and health of all!

After all, we love Hatton, and Hatton people above all! Let everyone have fresh air and let everyone walk along the clean streets! Let's make spring in our hearts!

(Dr.) Lana Mitchell
Vice-Chair of HARA

Hatton Baby and Toddler Group

We meet every Thursday morning from 9 am -11am upstairs in the Hatton Public Hall. We realise how daunting it can be coming to a new group for the first time, but we're a friendly bunch, so why not give it a try! It's a place for parents, grandparents and carers to meet and make friends with others, whilst your pre-school children play in safety with a wide variety of toys and games. We also do arts and crafts with the children, such as Easter and Christmas cards and finger painting when we are feeling really brave!

The price is £2.50 a session including a snack for the kids and a bottomless biscuit tub and coffee for the parent/carer.

We look forward to seeing you soon!

Contact Nomi on 07970076515 for more information or join our Facebook page which is Hatton baby and toddler group.

Do you know of anyone outwith the village who would like a copy of the newsletter? Additional copies can be collected from the Hatton Shop or E-mail info@haraonline.org.uk

Celebrate Hatton Day – take 2!

The *Celebrate Hatton Day* we held last year was such a success and created much chat during the afternoon, that we have decided to do it again! So we are once again asking you for photos, newspaper articles and anything you think might be of interest. . We don't have a date yet, but it will be some time over the summer, so it's a case of watch this space! Please send copies of Photos, articles and memories to adverts@haraonline.org.uk or if you aren't computer minded drop them off at Millbank, Park View Hatton, AB42 0LJ (and we'll make copies and return to originals to you safe and sound)

HARA AGM **Monday 26th March** **7.30pm Hatton Public Hall**

The above time and date will be confirmed on both the HARA Facebook page and also on the Noticeboard.

This is an open meeting and all residents of the village and outlying areas are invited. This is a big opportunity for you to put your suggestions forward to improve your village.

The main speaker will be a representative of Aberdeenshire Council's Landscaping and Services Team.

The key topic for this meeting is community involvement in the public amenity areas of the village.

For example we could have a community orchard, or perhaps you think that a landscaped public walkway is something that would be of benefit to the village?

Other ideas might be allotments, community garden areas or even a dog play area.

Representatives from Hatton in Bloom and other interested local groups and organisations are particularly welcome to attend.

Defibrillator Training

With apologies to those who have already given Phil their details, we still need a few more interested individuals before we can contact Peterhead Fire Service to provide us with another training session as they are requesting a minimum number to make the session viable.

**If you are interested contact Phil on 07784 555775
or via the HARA website.**

But remember you do not need to be trained to use the defibrillator. The Emergency Operator will tell callers how to get into the box which is on the wall outside the Public Hall and guide you through using the defibrillator.

Many thanks to all the volunteers and guests who attended the Repair Café on the 22nd February. It was good to see some new faces and to have Euan available to look at broken electrical and mechanical items. Anne was kept busy again with jewellery repairs and Louise was a dab hand with the sewing machine. Sue and Jacqui kept us topped up with drinks and biscuits and Lorraine brought along a challenge for our next Repair Café – a huge play parachute with substantial rips!

The next confirmed dates for the Repair Café are:
Thursday 15th March 7.00pm-9.00pm
Thursday 7th May 7.00pm-9.00pm
The venue is Hatton Public Hall.

We are a very friendly lot so please do come along if you need anything repaired, have skills to share or just fancy a bit of company while you do some repairing of your own.

Any questions? Contact Ruth Bone on 841850 or via the HARA Facebook page.

'Free Trees' Update

Because I have had reconstructive surgery for a shoulder injury I've not yet been able to get back to people who have been requesting trees. Could I therefore ask everyone who is still interested (and any newcomers) to send me a text with their details, quantity of trees required and a preferred contact phone number.

Hatton Play Park

Last year HARA successfully raised over £17,000 to purchase and install the first phase of the play park.

Phase 2 - To install play equipment for younger children to use is expected to cost us around £15,000.

Late last year we were awarded £750 from the Shell Small Grants Scheme, a further £500 has just been obtained from North Connect. A third awarding body has accepted our provisional application and we are hopeful that we will have the full amount needed soon.

The Shell Small Grants scheme awards ceremony last November. Other groups who also obtained grants are from the left Strichen Country Park, Crimond Bowlers, Fairies at Aden and Boddam Recreation Park.
