## LOOKING BACK

It's hard to believe that HARA is already approaching the end of its first year with the new committee! Over the past year, we've managed to arrange a couple of events during November and at Christmas - and even made a wee profit along the way.

One of things we managed to do was secure planning permission for a community noticeboard. With the kind support of the Hatton Public Hall Committee, it will be going up on the wall of the hall by the front door.

That said, like many groups, we've had our fair share of knock-backs. Illness has taken its toll on our volunteers, and let's just say Aberdeenshire Council has been taking its time with our grant funding... fingers crossed it's actually in the post!

We've also had to say goodbye to a few of our committee members and general members this year, which is always tough. But we're hopeful that some fresh faces will step forward to join us this coming year.

There are some proposed coming events in the pipeline for 2025, but we're not giving anything away until we have everything confirmed.

Thank you for all your support so far.

## HARA COMMITTEE

### Andy Wallis

Andy is the Chair of the HARA Committee.

He works locally as a self-employed electrician. He has lived in the Cruden/Hatton area since 1985. He decided to join HARA as he didn't want to see it shut down and to hopefully continue to make improvements in the village as previous HARA members have done.

### Donna McKen

Donna is the Vice Chair of the HARA Committee.

She was born and raised by her parents in the village. She has worked and lived away a few times but has always come back.

Donna says, “Our lives have all changed since Covid and lockdown, and I feel the village has lost a bit of its sparkle and the community it created before and even stronger during it.” She would like to help re-energise the village in any way she can. She wants to try to re-create our community spirit, making Hatton a great place to raise families and keep attracting lots of people so we can have an inclusive and diverse place to live.

**Lisa Watson**

Lisa is the HARA Treasurer.

She and her husband have lived in Hatton since 2008. She is a Finance Professional with over 25 years of experience across various sectors and industries. Lisa says, “I have a passion for working with charities and the local community and am currently the Finance Manager for a Local Charity. She is a level 1 ECB cricket coach, Rainbow Leader and Trustee of North East Scotland Cricket.

**Yvonne Beagrie**

Yvonne is the Secretary of the HARA Committee.

She moved to the village in October 2021 with her husband and 2 kids. She works for the NHS. She says, “I joined HARA to see more community events to get all age groups together,”

**Naomi Delday**

Naomi was born in Edinburgh and has lived in Hatton since 2012. She has three children and works at Camphill Murtle Estate in Aberdeen.

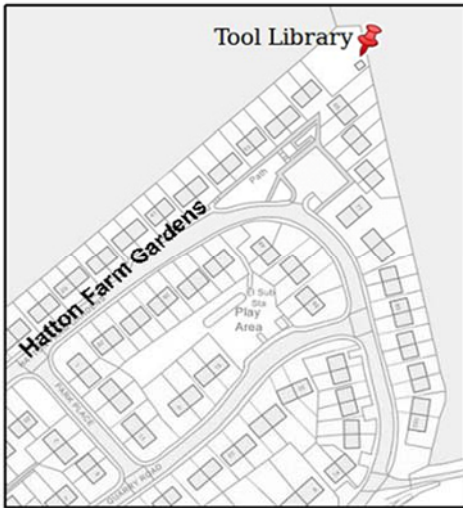

Naomi says, “I joined the committee as I think if you have an opinion you are better to use it to try and create positive change.”

**Nomi Dunthorne**

Nomi has lived in Hatton with her partner and four boys for 30+ years. She works in Murdoch Allan. She says she joined HARA because the committee needs someone to ask silly questions, while not really knowing what’s going on, but fully willing to try help in any way.

The fitness group meets every Wednesday evening at Longhaven Public Hall, from 6.00 pm to 7.00 pm.

All abilities are welcome, especially beginners. First session is free, then £20.00 per month. (Allowance made for people working offshore or if a session is cancelled.) The group is led by a qualified and experienced instructor.

All equipment is provided and a sense of humour is essential.

Two psychiatrists were discussing their day. The first one said to the second, "Would you believe it, I had a patient today who claimed he heard music every time he put on his hat?" The colleague asked, "Really? What did you do?" The first one replied, "I took it from him and removed the band."

## CRUDEN CRAFT GROUP

The Craft Group has been running for many years now but we started back after Covid with just six of the previous group; we have now grown to eighteen.

We are all knitters or crocheters doing a lot of work for local charity as well as items for the Blythwood Boxes, but you can just do your own thing, like knitting for your family.

If you would like to join us please get in touch. Eighteen is our maximum number but we are seldom all there together, so we feel we could take one or two more. We meet every second Tuesday 1.30 - 3.30 in Cruden Old Church Hall, so transport is a must.

## Cruden Parish Church of Scotland

Dear Friends,

At the time of writing, I am preparing to take part in the 2025 London Marathon. By the time you read this, all my soreness and suffering will be over!

Personally, speaking I always appreciate a challenge. This will be my eighth marathon and fourth attempt at London. Whilst I enjoy good health and a high level of personal fitness, there was one year where everything that could go wrong did go wrong! I was down in London, all ready to head out to the start line when my back seized up. I was gutted. And then came the embarrassment. Due to the generosity of friends, family and the congregation I had raised about £4000 in sponsorship for Christian Aid. To add insult to injury, whilst waiting for flight back to Aberdeen, I was surrounded by lots of people wearing happy smiles and finishers' medals.

Life is full of trials and disappointments. As the Parish Minister, it has been my privilege to accompany families and individuals through difficult times. (Always with complete confidentiality) Like many folks, I had expected things to get easier with the end of the Covid lockdown. But who could have anticipated the cost-of-living crisis, war in Ukraine, conflict between Hamas and Israel and the terrible suffering in Gaza, plus the international political and financial instability associated with the election of President Trump. To this could be added the cutbacks to essential public services. The immediate future is looking very uncertain.

So how should we respond to all that is happening around us? In my view there are two qualities that are essential at this time. The first is resilience – the inner strength and ability to carry on and move forward with hope. To put it another way – keep calm and carry on! The second is a shift in our personal values – that we focus on things that really matter. That people and relationships and sustainable lifestyles are at the centre of our lives. These two values are at the heart of the Christian faith.

One final thought. Life might feel tough and uncertain, but I am sure

that the current period of instability will pass. There will be new opportunities and new seasons of grace. A few years ago in London I was completely gutted. But hanging on the wall in my home are two London Marathon finishers' medals and by the time you read this, hopefully a third!

With warmest greetings,

**Rev Sean Swindells**

### About Cruden Parish Church

There are several faith communities within easy reach of Hatton, each one offering a distinctive expression of the Christian Faith. Cruden Parish Church is part of the Church of Scotland – the biggest Christian denomination in Scotland. We are an inclusive mainstream Church which has been part of this community for several centuries. Our focus is our Sunday worship at 10.00 am which can also be accessed via the internet. We continue to offer a ministry of pastoral care and the celebration of life events (baptism, weddings and funerals) and special services at Easter, Remembrance and Christmas. There are also regular family friendly craft and coffee mornings - look out for more details via Facebook and posters.

If you would like to explore issues of faith and spirituality, we will shortly be starting a new mid-week fellowship group, where everyone is welcome (including members of other churches). Please make contact if you would like more information, or be interested in our new Alpha Course starting after the summer.

In conjunction with the Cruden Bay Community Association, the church runs a Community Pantry We are here to serve the community and everyone is welcome.

The Church building is located halfway between Cruden and Hatton AB42 0QB.
